1924? b . *Pinocchio.* A play by Adams T. Rice.
Unpublished.

Play. According to Mackay (*Children’s Theatres and Plays*, 1927) this was the first *Pinocchio* play performed in the U.S. (at Children’s Theatre, directed by Claire Tree Major, in New York City). It was performed sometime between 1922 and 1927. This play, or more likely a later variant, was published by Samuel French in 1931.
